

October 2010

Dear OPEIU Member:

Upon the recommendation of the OPEIU Executive Board, delegates to the 2010 Convention approved a second national benefit for all members, effective October 1, 2010, with the addition of up to two towing/service calls per year, per household, valued at up to \$100 each to all family members living in the same household of the member, provided through Nation Safe Drivers (NSD). The benefit is available in the continental United States, Hawaii, Puerto Rico, Canada and Mexico, and is provided at no additional cost to you.

The PerksCard® national discount program will be continued through the next Convention in 2013. The PerksCard® provides savings of hundreds of dollars on website and in-store purchases through national retailers, at restaurants, on movie tickets and numerous other items.

Enclosed please find your OPEIU membership benefits card – both in wallet and keychain form for your convenience – with your information for both the PerksCard® and your new towing/service calls benefits. Please be sure to activate the PerksCard® to fully enjoy your benefits. No action is necessary on your part to activate the towing/service calls benefit – you have been automatically enrolled by the Union. The card has the appropriate phone numbers and codes that you will need to use these benefits.

Also enclosed you will find information about the AFL-CIO Union Plus benefits available to all OPEIU members.
